Dear The Vance Association,

On behalf of our Hospice team, we want to thank you for your \$100.00 donation to Hospice of the Golden Isles, in memory of John Blake. For over thirty years, Hospice of the Golden Isles has delivered expert, end of life care with dignity and compassion to anyone regardless of their ability to pay. This gift will assist us in our mission to care for our terminally ill patients and their families. We are able to do this because of people like you.

Sincerely,

Hospice of the Golden Isles Staff and Board of Directors.
